Boost your career
Relaunch - Transition - Advancement

Relaunch - Transition - Advancement

Your career – as original as you

Where are you on your career path?

Perhaps you're planning to

- relaunch your career after taking a break
- reposition yourself professionally, or
- take on a more challenging position

What steps can you take to make that dream a reality?

The Executive School of the University of St. Gallen offers a wide range of programmes specifically designed to help you achieve your career goals.

Your benefits:

The part-time programmes can be smoothly integrated into your schedule.

Close partner company involvement.

Degree from a renowned university.

Networking with persons in leadership positions and persons who are in a similar position as you.

Develop your potential and start your future today!

Programme Portfolio

Career Relaunch Platform

Check out what's on offer at career-relaunch.ch: free «Fit for Relaunch Check», consultations with our specialists, self-paced learning sessions and events to boost your career relaunch.

Career Relaunch Conference

Learn more about career re-entry and career transition opportunities in an inspiring one-day conference. Join qualified professionals and representatives from business, academia and politics for a day of inter-active dialogue and networking.

Women Back to Business

This unique CAS in Management programme equips women to re-enter the workforce or reposition themselves professionally. An integrated support programme and the involvement of our partner companies will give you a leading edge in successfully relaunching or redefining your career.

Reskilling Sales Programme

In this compact online programme, professionals from the services sector receive targeted skills training to prepare for a successful new career in sales.

Check-in to Management - General Management for Pilots

From pilot to manager! This programme equips pilots to make a career shift or simply gain a second foothold in the corporate world. Participants benefit from a solid introduction to management as well as skills training for a successful career transition.

Partner Companies

We work closely with numerous partner companies to develop career relaunch programmes with impact.

Our partner companies are firmly committed to supporting non-linear careers.

From insight to impact.

We would be pleased to advise you.
